Background Survey

CS 1300 Data Science for Everyone | Week 1

This survey helps plan the course. There are no right or wrong answers. Answer honestly.

1. Student ID

_____

2. Name of your major

_____

3. How familiar are you with a coding language (Python or MATLAB)?

Circle one number.

Number	What it means
0	Never used one
1	Tried it once or twice
2	Can write short programs with help
3	Can write programs on my own
4	Confident: I build my own projects

4. How familiar are you with data science?

Circle one number.

Number	What it means
0	Never heard of it
1	Heard the term only
2	Know the basic ideas (data, charts, averages)
3	Have analyzed data myself (spreadsheet or a tool)
4	Have built models or taken a data science course
